Roc No. 216.G.6/52 dated 18----12------ 195

Sir,

Sub: Schools - Secondary - Bifurcated courses - Agriculture Anandashram High School, Ullal - Purchase of a pair of medium sized bulls in the place of the large sized bulls - grant payment of

Agriculture as a subject under the bifurcated courses was introduced in the ~~Andad~~ Anandashram High School, Ullal during the year 1949-50. A pair of large sized bulls and a cart were purchased by the management at a cost of Rs.1,200/- (Rupees 1000 for the bulls and Rs.200/- for the cart) and a grant of Rs.900/- was paid towards the purchase. But as the Management found that the maintenance of the large sized bulls was very expensive, disproportionate to the advantage derived from them and as one of them had become vicious, they applied for permission for the disposal of the pair of large sized animals and the cart and for the purchase of a country pair and cart instead. Permission for their sale by public auction was granted in my Proceedings Roc.No.216.G.6/52 dated 27.5.52, but it was reported that the bulls and the cart could not be sold at the public auction as there were no bidders. Efforts were also made in vain to sell them to the Agriculture Department. Then, the management were permitted to sell them at the prices fixed by the Dt. Agricultural Officer, viz., Rs.300/- for the bulls and Rs.100/- for the cart. Accordingly, the management have sold the bulls alone for Rs.300/- and remitted the amount in full into the Treasury. The cart is retained for use by the school.

Now the Management have purchased a pair of medium sized country bulls at a cost of Rs.250/- in the place of the old pair and have applied for grant. Three-fourth of the cost payable as grant comes to Rs.188/-. As there is no specific provision in the current year's budget for payment of equipment grant to the above schools, I request that, in the circumstances explained above, I may be permitted to sanction a grant of Rs.188/- to the above school towards the purchase of the substitutes, as a special case. In this connection, I may point out that the payment of this grant is not an extra net expenditure to Govern ent as the sale proceeds of the old pair viz., Rs.300/- have been refunded by the Management into the Treasury against which the grant to be paid now is only Rs.188/-.
